

Municipal, limite de vitesse 100, vitesse 120 (copie écran)

The screenshot shows a mobile application interface for calculating fines. At the top, there is a status bar with the time 11:12, a settings icon, and signal/battery indicators. Below this is a purple header bar with the text "Examen1". The main content area has a white background. It starts with the title "Gestion des Contraventions" next to a cartoon police officer icon. Below the title is the date "16/02/2023". Underneath is the section "Type de Route" with two radio button options: "Municipal" (which is selected) and "Autoroute". Below these are two input fields: "Limite de Vitesse" with the value "100" and "Vitesse" with the value "120". The "Vitesse" field has a green underline. Below these fields is the label "Montant de l'Amende" next to a clipboard icon. The calculated fine amount "325.0" is displayed in a large font. At the bottom of the form is a purple button labeled "CALCULER". The entire application is shown within a black border representing a smartphone.

The screenshot shows a mobile application interface for calculating fines. At the top, there is a status bar with the time 11:14, a settings icon, and signal/battery indicators. Below this is a purple header bar with the text "Examen1". The main title is "Gestion des Contraventions" with a cartoon police officer icon to its right. The date "16/02/2023" is displayed below the title. Under the heading "Type de Route", there are two radio button options: "Municipal" (unselected) and "Autoroute" (selected). Below these, there are two input fields: "Limite de Vitesse" with the value "100" and "Vitesse" with the value "120". The "Vitesse" field has a red underline. Below the inputs, the text "Montant de l'Amende" is followed by a cartoon notepad icon. The calculated fine amount "425.0" is displayed in large text. At the bottom, there is a purple button labeled "CALCULER". The entire interface is framed by a black border representing the phone's bezel.

The screenshot shows a mobile application interface for calculating fines. At the top, the status bar displays the time 11:17, a settings icon, and signal/battery indicators. The app's title bar is purple with the text "Examen1". Below this, the main title "Gestion des Contraventions" is displayed next to a cartoon police officer icon. The date "16/02/2023" is shown to the right. Under the heading "Type de Route", there are two radio button options: "Municipal" (selected) and "Autoroute". Below these, there are two input fields: "Limite de Vitesse" with the value "70" and "Vitesse" with the value "50". The "Vitesse" field has a red underline. Below the inputs, the text "Montant de l'Amende" is followed by a large "325.0" and a small icon of a notepad and pen. At the bottom, there is a purple button labeled "CALCULER". The entire interface is framed by a black border representing the phone's screen.
